Dear David and Foundation Board Members,

Thank you for your 2019-2020 Season Community Sponsorship! I cannot even begin to put in to words how much we appreciate your continued support. Your partnership with Tarpon Arts aids my goal to continually elevate and book quality entertainment for our residents and our regional patrons while keeping prices affordable. Your sponsorship also helps us to provide stage time, plays and operas with our ever-growing community theater assemblage of local actors and directors who depend on Tarpon Arts to provide a venue for their craft.

The sponsorship outlines the benefits that the Kathleen Monahan Foundation will automatically receive as our community sponsor. We invite you to participate at our events as your time and interest allows. Of course, your signage and collateral are always welcome and displayed at our venues.

In closing, I want to reiterate that the Kathleen Monahan Foundation's impact is significant. Your continued support positively contributes to Tarpon Arts' ability to improve, grow and provide programming excellence, interesting educational events, exhibits and special events for not only the City of Tarpon Springs residents, but also our regional, state and out of state visitors. Thank you for your love and commitment to the arts in Tarpon Springs and especially Tarpon Arts.

We look forward to celebrating our beautiful ticket sales office in City Hall with you when our new season opens.

With Sincere Appreciation,

Diane Wood, Director
